

# SPANISH FORK 3rd WARD

## January 2022 Newsletter

Brothers and Sisters,

As we begin a new year, I was think about what I could write. I then read President Nelson's new year message and was impressed to share his message incase you missed it. All of us have had our struggles the past year. I would hope that each of you take these words from our prophet and find change in your relationship with him. This world is a crazy place write now and we all need a personal relationship with God and his son Jesus Christ.

Thank you,

Bishop Argyle

*I'm sure many of you are setting aside time today to write down your resolutions for the coming year. May I make a few suggestions?*

*First, resolve to strengthen your spiritual foundation. This may involve setting a specific time and place to study the scriptures, praying more often, making temple worship a bigger priority, and letting God prevail in all aspects of your life.*

*Second, resolve to be kind to others. When the Savior Jesus Christ visited the Americas, as recorded in the Book of Mormon, one of the first things He taught was the need to eliminate contention in our lives. So, please be compassionate, be understanding, be slow to judge, and be quick to forgive.*

*Third, resolve to be resolute. The Lord loves effort. The Lord loves consistency. The Lord loves steadfastness. While we surely will come up short from time to time, our persistent efforts to hear Him and follow the inspiration He gives us will help us to "wax strong in the Spirit" (Mosiah 18:26).*

*May God bless you, my dear friends, and may this be a wonderful year of purpose and possibilities for all of us.*

*President Nelson*
